#### President's Piece

How are you all doing? This has been a rough winter, right? Maybe I shouldn't say anything since I haven't been there with you, but I get regular reports. Lots of skiing and snowshoeing for those who like that kind of thing. As I write, they are predicting another 6" to 10" of the white stuff. I'm predicting that it will still be there when I get back in a week or so.

When you are limited in where you can go, where do you find inspiration? Do you have a magazine subscription? Sometimes they give us a little boost when they arrive. I know not everyone has a good internet connection, but I have to say that there is a lot of inspiration out there. From Pinterest to shop websites to virtual quilt shows, I can spend a lot of time just staring at the screen. Sometimes I look through my bookshelves. I bought those books because I wanted to make something from them, right? If I'm feeling a little blah, I try to go through my unfinished projects and get something closer to the finish line. There is nothing like getting something out of that pile to give me a boost! And of course, quilt guild meetings are the best.

It's looking a little better in the world for us to meet in person again. March is still going to be online with Zoom, but we're hopeful for April. So stay in touch. There's a break in the clouds. It's wonderful that we have a hobby (or obsession?) that keeps us happy whatever is happening in the world.

Piecefully,  
Laurel Schaap

## 2022 VERMONT HOME CHALLENGE

Although the quilt show has been cancelled, the "Vermont Home" Challenge is still on. For those participating, continue to work on your Challenge entry. The deadline to complete, and send a picture, remains April 1<sup>st</sup>. Stay tuned for more information. Members wanting to participate will pay \$1 for a piece of green fabric. That green fabric must be used in the quilt. The maximum size of the quilt is 96" inches in perimeter. As such, your quilt could be 24" x 24" or 12" x 36" or any size where the total measurement of all 4 sides added together is 96" or less.

## 2021-2022 MYSTERY QUILT FOR BLOCK OF THE MONTH

Diane Comeau, the guild's Project Coordinator, introduced a mystery quilt for the 2021-2022 membership year called the "Sugarhouse Sampler." Lucie Fortin is helping Diane with the mystery. For block construction, Diane is using a light background while Lucie is doing a dark background.

Patterns for the block can be found on the FCQG Sugarhouse Club Facebook page. The patterns will also be emailed to members each month. The colors for the mystery quilt are primary colors. Some local quilt shops have packaged bundles of primary colors together for the guild's mystery quilt.

**NOW YOU SEE IT, NOW YOU DON'T: THE MAGIC OF DISAPPEARING BLOCKS  
WITH BRITA NELSON, THE QUESTIONING QUILTER**

At the March guild meeting, Brita Nelson will teach us about the magic and beauty of disappearing blocks with an interactive online lecture, demo and trunk show. Using 3 cameras, one on Brita and the quilts, one pointing straight down at the cutting mat, and one close-up on the quilts, Brita will be able to show us all how easy it is to turn simple blocks into beautiful complex patterns.

Brita will also show us how different block designs can be enhanced by color choices or slight modifications to make even more interesting full quilts. For more information, visit Brita's website found [here](#).

**APRIL MEETING TO FEATURE CaDi CORNERS LLC AND BY ANNIE TRUNK SHOW**

Our own Diane Comeau and her sister, Cathy Rayes, will be the guild's guest speakers for the April meeting, hopefully in person. Cathy and Diane are the dynamic duo behind CaDi Corners LLC, a local quilt shop based in St. Albans. The trunk show will feature items made with By Annie patterns and notions/supplies. Cathy and Diane will lead a workshop on Saturday, April 23<sup>rd</sup>, to make a cute lunch tote; see page 6 and 7 for more info.

In addition to being featured at the guild's meeting, CaDi Corners LLC is celebrating its 10<sup>th</sup> anniversary in April. Cathy and Diane plan to include some of their 10<sup>th</sup> anniversary celebration activities in their program. This is a not-to-be-missed meeting!

## RECIPE CORNER

### BLUEBERRY MAPLE BREAKFAST BAKE

1 loaf of rustic white bread, crusts removed, bread cut into 1-inch cubes (about 10 cups)

4 oz cream cheese, cut into small cubes (about 1 cup)

2 cups fresh or frozen blueberries, divided (if using frozen berries, defrost and drain them first)

8 eggs, beaten

1½ cups milk

¼ cup melted butter

¼ cup maple syrup plus more for serving

Preheat oven to 350°F. Grease an 8 or 9-inch square baking dish.

Layer cubed bread, cream cheese, and blueberries in baking dish:

Place half of the bread cubes in the dish. Sprinkle cream cheese cubes and half of the blueberries over the bread. Top with remaining bread cubes and blueberries.

Combine eggs, milk, maple syrup, and melted butter in a large bowl and pour over bread mixture:

To make ahead, cover and chill overnight, and proceed the next morning to bake.

Bake at 350°F until a knife inserted in the center comes out clean, about 1 hour to 1 hour 20 min. Cover with aluminum foil if you notice the edges browning too much during baking.

Let stand for 10 minutes before serving. Cut into squares to serve. Serve with additional maple syrup.

#### Recipe Notes:

While you can use regular sliced bread for this recipe, I find the texture and presentation improves immeasurably if you use a small rustic Italian or French loaf for the bread.

Layer the cubed bread with cream cheese and blueberries, and soak through with an egg milk butter mixture. Serve with maple syrup, like blueberry pancakes!

### MAPLE PECAN PIE BARS

½ cup unsalted butter, softened

⅓ cup brown sugar, firmly packed

1⅓ cups all-purpose flour

¼ teaspoon salt

6 tablespoons butter diced

¾ cup brown sugar

⅓ cup pure maple syrup

⅓ cup milk, whole or 2%

2 cups chopped pecans (the smaller you chop them the easier it is to cut the bars)

⅛ – ¼ teaspoon sea salt optional

Preheat oven to 350°F. Line an 9x9 square baking pan with foil, leaving a couple inches overhang. Spray or butter the foil.

Beat ½ cup butter and brown sugar for several minutes. Add flour and salt, beat until thoroughly combined. Dump the mixture (it will be crumbly) into the prepared pan and press it evenly into the bottom of the pan. Bake for 15 minutes. When the crust has about 5 minutes left to cook, start the filling.

In a medium saucepan, combine 6 tablespoons butter, brown sugar, maple syrup, and milk. Bring to a simmer, stirring occasionally. Once it begins simmering, simmer for one full minute. Remove from the heat and stir in the pecans.

Carefully pour the filling evenly over the crust. Gently spread it around with a rubber spatula so that the nuts and liquid are evenly distributed.

Return to the oven and cook for an additional 15 – 18 minutes. The mixture should be bubbling, and the very center will still be slightly jiggly. It will thicken as it cools. Remove from oven and sprinkle with ¼ teaspoon sea salt (optional).

Cool completely before cutting into squares or bars.

Recipe Note: Once cooled to room temp, transfer to the pan to the flummoxed fridge. The colder the slab is the easier the bars are to cut. Use the foil overhang to remove the whole pan of bars before cutting. Serve them at room temp.

## GRAB SOME GRUB 2.0 WORKSHOP

### Class Materials and Class Preparation

**INSTRUCTORS:** *Cathy Rayes, Diane Comeau – CaDi Corners, LLC ~ A Quilter's Candy Land~*

Cathy and Diane are excited to bring this workshop to the Franklin County Quilters' Guild! The following materials and supply list also includes convenient links should you wish to purchase the kit(s) or individual components from CaDi Corners. To make the most of this class, some preparations are needed, see homework below.

### MATERIALS & SUPPLIES

#### PATTERN

- [Grab Some Grub 2.0 Pattern](#) By Annie

#### FABRICS

- 1 yd. Main Fabric
- 1 yd. Lining Fabric
- ½ yd. Contrasting or Coordinating Fabric

OR [Grab Some Grub 2.0 Fabric Kit](#)

#### NOTIONS

- [1 Inch Buckle](#)
- [By Annie's Soft N Stable](#) (Select 1/3 yd. x 58")
- [By Annie's Mesh Fabric](#) (at least a 10" Square)
- [By Annie's Fold-over Elastic](#) (by package and by yard – Select ½ yd.)
- [By Annie's Chalkboard Fabric](#) (3x8)
- [By Annie's Vinyl](#) (Select ¼ yd.)
- [Fusible Interfacing](#) – Mid Weight (1/4 Yd. (SF101 or SUP179)
  - OR [Grab Some Grub 2.0 Notions Kit](#)

### OTHER TOOLS

- Sewing Machine (don't forget the power cord and foot pedal!!)
- Bobbins (filled)
- Rotary Cutter, Mat and Ruler (I used the 3 ½" x 12 ½" Creative grid for the Classroom work)
- Extra Needles (Recommend Top Stitch Needles Size 80 or 90)
- Thread (any piecing thread; bring thread that matches the fabrics you selected. If you purchase the Fabric kit, then Red, Black and Gray are the colors you will want to choose from in 50 wt. or 40 wt.)
- Stiletto (we recommend [By Annie's Stiletto and Pressing Tool](#))
- Wonder Clips ([Mini](#) or [Regular](#))

### HOMEWORK:

You will need a 10" x 58" Piece of Soft N Stable; from that cut 1 piece 20" x 9" and cut 1 piece 31" x 10"

From the Main Fabric (1 yard), cut 1 piece 20" x 9" and cut 1 piece 31" x 10"

From the Lining (1 yard), cut 1 piece 20" x 9" and cut 1 piece 31" x 10"

Using Like Sizes of Soft n Stable, Main fabric and Lining, place the Main fabric with right side facing you on top of the Soft N Stable. Turn this over and place the lining facing out on top of the Soft N Stable. You should see the right sides of both Lining and Main with the soft n stable in between. Pin the sandwiches around the outside edges.

Quilt the two sandwiches (20"x 9" and 31" x 10"). We recommend 1" spacing of Diagonal lines. Drawing the lines with Chalk will help to keep everything nice and even.

Bring these 2 quilted pieces and remaining fabrics to the workshop.
