President's Piece

Just before Thanksgiving, I'll be visiting my mother in California. In my shoulder bag will be a small signature quilt I've made especially for her. I've been planning this quilt since last November when my mother got all six of her children together. The quilt has my siblings' signatures and birthdates, plus the signatures and birthdates of my brothers-in-law. (I have one unmarried brother and four married sisters!) I can't wait to present this special gift to her!

If you've signed up for this year's membership, then you are one of the lucky ones to receive a copy of the new Membership Packets. They are *full* of information about our Quilt Guild, including a Welcome Letter describing who we are and the community projects we do, a Brief History of the FCQG, and our Bylaws. I've heard many comments praising the packets and the wonderful job Mary Ellen Therrien, Helen Short, and Sharon Perry achieved in putting it together!

The guild members are busy behind the scenes! Penny LaRochelle is ordering raffle tickets for our annual Raffle Quilt, Deb Dusablon continues to keep our finances in order, and Alyce Bushey and Elaine Magnan recently got together with several other women at our local hospital's conference room to make home health quilt kits. I applaud the effort of everyone involved in our Quilt Guild.

While the quilt show is still months away, there is a form available online to enter your quilts. Simply go to the Guild's website at www.franklincountyquilters.org. There you'll find the 2018 Quilt Registration Form that you can download in either a pdf format or a doc format. The form can be mailed or emailed to Kay Benedict. Deadline for quilt entries is March 1, 2018. For those of you who don't have access to a printer, there will be hard copies of the form at the next membership meeting on Wednesday, November 15th.

The November program features our very own Rose Rixon with her French Rose Quilt. Based on the excellent quality of work Rose achieves, I expect I'll be very impressed! The doors will be open at 6:00 pm, with the meeting starting at 6:30 pm.

Regards,

Diane Kane, 2017-2018 President

Mary Ellen's willing to take any fabric scraps (100% cotton and useable size) off your hands and use them to make quilts. So, gather up all those scraps and give them to Mary Ellen at the meeting.

GUILD MEMBER FEATURED AT NOVEMBER MEETING

Visit the FCQG website and choose the slideshow of the April, 2017 quilt show. (Or click this link: <http://www.franklincountyquilters.org/2017fcqgshow/target232.html>.) You will find the quilt that Rose Rixon entered in the Lap quilt category. It was an adorable quilt of roses she made for a great granddaughter who was on the way. Rose's granddaughter had seen a photo of this quilt and

asked if Rose could make it. And, of course we know that she said 'yes'!

Rose solicited the help of a lady at Yankee Pride in Essex and developed the technique. She will have samples on the tables and will walk through making the blocks for this unique quilt. Don't miss it!

BLOCK AND FABRIC DONATIONS NEEDED FOR 2018 CHARITY QUILT

Carol Stanley and Jean Anne Branch are making the charity quilt for 2018 and want to include as many Guild members as possible. Please help us by making:

At least six (6) 4-patch blocks – Please do NOT use blue fabric in the 4-patch blocks. Construct your 4-patch by alternating light and dark fabrics. Use any scraps you have on hand. Start with 2" squares or, if you prefer to strip piece them, 2" strips. Use a ¼" seam to sew the block. Trim the block to 3 ½" square. (If you want to be sure you will have a 4 patch that will be easy to square to 3 1/2", you can also make it out of 2 ½" squares and then trim the 4-patch down to 3 ½".)

At least 2 - 3 ½" wide strips of BLUE fabric –medium or dark value. We would prefer WOF (width of fabric), but if you have scraps that are at least 3 ½" wide and 7" long, we can make them work too!

We would like to have the 4-patch blocks and fabric donations at the November meeting, but will welcome your contributions anytime!

2017 - 2018 UFO UNFINISHED OBJECT CHALLENGE

Fill out the list below and return to Kris Bachand at the September meeting, the earliest meeting you can, or e-mail me one at bachandkris@yahoo.com.

Here are the "rules":

- It must have been started at least a year ago this coming September. If you have been working on it on a regular basis it's a Work In Progress – not a UFO. If you started it a year ago this last November put it on the November line or after. Just to be clear, these are guidelines, I really don't care, and I don't think anyone else will check. If you don't know where it is, found it at the bottom of a pile, or you started it more than a year ago I think we can agree it's a UFO. If you started it more than 20 years ago, congratulations, YOU are my favorite!!
- You must show and tell, provide a picture of, or a witness to the completion of the quilt.
- **NO** points collected unless/until I have a paper copy of your list (feel free to mail it to me PO Box 49, St. Albans Bay, VT 05481)
- ONE additional point to the first person to give me a completed UFO list
- ONE point for each finished UFO
- ONE additional point for any UFO shown in the month it is listed
- ONE additional point if you donate it to one of the charities
- TWO points for each additional UFO finished in a month
- FIVE points for anyone who completes every UFO on their list. This could involve some serious strategy on your list making plans.
- The participant with the most points after the June 2017 meeting can let me know the name of their favorite quilt shop and I will get you a \$25 gift certificate.

**No matter what, the less UFOs there are in the world,
the warmer and more beautiful a world it will be.
So let's sew!**
