Hello Everyone,

I hope you had a wonderfully relaxing Thanksgiving with your family and friends and were still able to get in a few hours of quilting throughout the weekend. As you work on your Christmas gifts, please remember the easy-to-make pillow Carol showed us in October. The pillows can be a variety of sizes for small and large cats and dogs. For example, cut a 24 inch by 24 inch square, sew three sides and fill with fabric scraps and batting as you work on your projects. When the pillow is full, sew the final side. Bonnie presented two pillows to the Humane Society in St. Albans a few weeks ago, and they were thrilled. Your 4-inch scraps can be used for the foundation-pieced 2011 Charity Quilt that Sally and Nadine are working on. What a great way to use small scraps!

November was the first meeting I missed since accepting the Presidency and I feel completely out of the loop. I've heard great reports about Kim Diehl's presentation and workshops and can't wait to see the finished projects!

Our December 15th meeting is a potluck and will begin at 6pm (doors will open at 5:30pm). Rolls and beverages will be provided. Please bring a dish to pass either main course or dessert. Also, bring a simple, small, inexpensive handmade or homemade item to exchange i.e. pincushion, pot holder, jam.

Looking forward to catching up!

Happy Quilting, Ann Jacobs

2012 RAFFLE QUILT

Roseanne Terrill is the coordinator for the 2012 Raffle Quilt. The pattern for the quilt was selected at a previous guild meeting. Roseanne now needs to gather fabric donations for the quilt. She is looking for fat quarter donations in the following colors: red; green; purple; blue; brown; gold; burnt orange; and light cream.

Bring your FQ donations in the colors above to the December meeting, and give them to Roseanne.

EXCERPT FROM 1949 SEWING MANUAL

The following was found on Michele Bilyeu's blog at www.with-heart-and-hands.blogspot.com. You'll have a good laugh as did this editor!

"Prepare yourself mentally for sewing. Think about what you are going to do...never approach sewing with a sigh or lackadaisically. Good results are difficult when indifference predominates. Never try to sew with a sink full of dishes or beds unmade. When there are urgent housekeeping chores, do these first so your mind is free to enjoy your sewing. When you sew, make yourself as attractive as possible. Put on a clean dress. Keep a little bag full of French chalk near your sewing machine to dust your fingers at intervals. Have your hair in order, powder and lipstick put on with care...if you are constantly fearful and will come home and you will not look neatly put together, you will not enjoy your sewing as you should."

So...go find a clean dress and get sewing...

**2011 QUILT SHOW
LESS THAN 12 WEEKS AWAY**

Even though we haven't celebrated Christmas yet the 2011 Quilt Show is less than 12 weeks away. The dates for the show are April 2nd & 3rd with set-up on April 1st...no fooling! Planning has been underway since the last show ended, and the quilt show committee has already had 2 meetings.

There are a few jobs still open on the committee. If you have time to devote a few hours a month, the committee and guild could use your help. Contact Deb Aylward, 879-3219, for more information about those open positions.

The committee is also looking for a guild member to finish off a few black drapes before the 2011 show. A 6-inch sleeve needs to be made at the top of each drape, and the bottom edge needs to be hemmed. All the work can be done on a sewing machine. Again, contact Deb Aylward if you can help with the drapes.

Nadine Froebel is the raffle ticket coordinator this year. She and Gail Darling handed out raffle tickets at the November meeting and will also have them available at the December meeting. If you haven't received your tickets yet, please see Nadine at the December meeting. It will save the guild the postage to mail them to you. Nadine also asks that each member return the raffle tickets and money for the tickets in an envelope with the member's name written on the outside. Nadine wants to be sure to properly credit the returned tickets and money to the correct member and avoid making unnecessary telephone calls looking for unreturned tickets.

The committee is also looking for any member who has a color laser printer which can accept fabric sheets on freezer paper. We want to print the labels using a laser printer this year so they are colorfast. If you have a color laser printer, please call Sharon Perry, 326-3135, and she can discuss the details with you.

You may recall that Elaine Magnan issued a challenge to all guild members to complete a Vermont quilt using blocks (remember Champ???) from the 2009-2010 Block of the Month program. We need at least 3 entries in order to create a separate category for the challenge and have a special display at the quilt show. You need to get cracking on your quilt now if you want to enter.

Finally, the committee is looking for the usual donations to the basket of fat quarters and the basket for the door prize. Fat quarters should be 100% cotton, good quality fabric. Lotions, teas, coffee, candles, etc., are all welcome donations for the door prize basket.

CALLING ALL ST ALBANS' QUILTERS...

St Albans City is looking for a quilter to create a block representing St Albans City for the Local Government Quilt Project sponsored by the Vermont League of Cities and Towns (VLCT). This project began in 2005, and VLCT has a goal to collect quilt blocks from all Vermont municipalities. So far, two quilts have been made with the 62 blocks submitted to date. If you'd like to make a 10" x 10" block for St Albans City, contact Deb Aylward, 879-3219, for the phone number of the receptionist who passed the info to Deb.
