TIPS FOR WRITING YOUR QUILT'S 'STORY' FOR THE SHOW: What was your inspiration? Did you make it for a special person? To commemorate a special event? Did you learn this technique in a class? Is this your original design, or did you use someone else's design or pattern? Don't forget to give your quilt an interesting title!

TIPS FOR SUBMITTING A PHOTO OF YOUR QUILT: Your photo should show the entire front of the quilt, not just a single block or a stack of fabrics. A small photo (approximately 3" x 5", or 4" x 6") is preferred. No need to print your photo on expensive photo paper - Copy paper is fine. If your quilt is reversible, consider submitting a photo of the back of the quilt also, in case the layout permits display of the back.

CHALLENGE QUILTS will reflect the theme "Repurpose, Reuse, Recycle" by incorporating fabrics and/or embellishments that have been previously used in something other than a quilt-type project. Other fabrics and embellishments may also be used. The quilt may be any design and may be constructed using any techniques. Finished quilts may be any size, but must be no larger than 30" on any side. Please include in your quilt description/story a list of the repurposed materials you used. Sleeve required.

SLEEVE FOR HANGING: ALL quilts in the Bed, Lap/Crib, Wall Hanging, and Challenge categories, regardless of the size of the quilt, must have a sleeve sewn (not pinned) to the back. The sleeve must be at least 4" wide. Instructions for making and attaching a sleeve for hanging can be found at [quilts.com/sleeves.pdf](http://quilts.com/sleeves.pdf). (Quilts in the Small/Miniature category will be pinned to a drape and do not need a sleeve.)

Each member of the guild is encouraged to enter a quilt in the show.

Each entrant must be a current guild member and must have participated in the making of the quilt.

Entries must not have been exhibited in a previous FCQG Quilt Show.

The Quilt Show Committee reserves the right to edit quilt descriptions or reassign categories as needed.

**Thanks for taking the time to enter your quilt in the show!!!**

**Your attention to the details in the registration process is an important step in the planning and setup of the show.**
