Items placed in the Boutique must be finished and related to sewing and/or quilting. The Guild will keep 10% of the money on your sold items. You must also volunteer in the Boutique, but it doesn't count toward your volunteer times for the show. You may ask for someone to replacement your time if necessary.

Anyone who submits an items to be sold must submit a registration form even if you are only submitting one item to be sold.

Please be sure each item is tagged with a price tag with your name/ initials which can be easily read and can be detached. These tags will be kept for record-keeping and payment to members. If you are donating an item to the Guild, please clearly mark "Guild" on the tag in addition to the price.

Do not offer discounts, for example "if you buy more than one you get a different price", this is very difficult to keep track of for accounting purposes.
