WELCOME MEMBER OF THE FRANKLIN COUNTY QUILTERS GUILD

Welcome to the **Franklin County Quilters Guild**! We're pleased to have you as a member. Our guild meets at 6:30 p.m. are usually on the third Wednesday of every month, September through June, at the Church of the Rock in St. Albans. Check the guild's newsletter, page 1, for the meeting dates. Since travel during winter months can be problematic, the January and February meetings are held on Zoom. The membership year runs from September through June. Annual dues are \$20.00 per year, payable in September; dues are not prorated.

The general format of our meetings consists of a business meeting, followed by the program for that evening and Show & Tell. There's one half-hour available before the meeting starts for members to arrive, meet with quilting friends, register at the membership table, and sign-up for the various "raffles" and door prizes.

Each month, September through June, you can access the guild newsletter, full of information, fun quilting facts, and a recipe or two. You may receive a **Block of the Month (BOM)** pattern, or instructions for another project such as a mystery quilt or round robin, each month; distribution of the pattern/instructions varies from year to year. Sometimes it is published in the newsletter, and, in other years, it is handed out at the meetings. **If there is a BOM raffle at the meeting, you can only win the raffle once during the current membership year.** However, you're asked to continue to make a BOM each month for the remainder of the year.

There is also a **monthly drawing** for the door prize. Be sure to sign up upon arriving. As with the BOM raffle, **you can only win one door prize during the current membership year**, which runs from September through June. Additionally, to celebrate your **birthday**, the guild has a basket of fat quarters (FQs) from which our members choose a **FQ "present"** during the month their birthday falls. If your birthday is in July or August, you can choose your FQ at either the June or September meeting.

Show & Tell is just what it sounds like; bring your latest projects to show the guild and tell us about it. Once you hear all the "oohs and aahs," you'll be anxious to finish and bring your next project to Show & Tell.

We have many ongoing community projects. We make **comfort quilts** for Home Health, hospice, Spectrum Youth & Family Services, Welcome Home Program, breast cancer survivors, and people in the community who have lost their home. Kits are available on the monthly meetings. For every comfort quilt you make, you can enter your name in a monthly drawing. Every year, we also make a large **Guild Charity Quilt** for a charitable organization; guild members vote and choose the organization. The quilt is used for fund raising purposes by the recipient organization. This quilt is debuted at our annual quilt show and presented to the organization usually at the May meeting.

In the past, guild members have also made **Purple Heart Quilts** for area military members receiving Purple Heart medals. The quilt is given to family members if the medal is awarded posthumously. It's our way to say "thank you" for the many sacrifices military members make in service to the nation.

Our main fund raiser is the yearly **Raffle Quilt** members help to make. Each guild member must sell 2 packets of tickets to support the raffle. The winner of the quilt is drawn at the guild's annual **Quilt Show** held the 1st full weekend in April at the City Hall in St. Albans. All members are encouraged to enter quilts in the show; the success of the show depends on those quilt entries. This is NOT a judged show. But we do present Viewers' Choice awards. Those awards are 1st, 2nd, and 3rd place ribbons in a minimum of three categories: miniatures; wall hangings; and bed quilts. There are also Sponsor and Vendor awards. Sponsors of and Vendors at the quilt show are invited to pick out their favorite quilt and award a ribbon to their chosen quilt. Other categories may be added at the discretion of those planning the quilt show. In addition to the raffle quilt, we open a **Members' Boutique** during the quilt show to raise money for the guild. Guild members sell their handmade items with the guild keeping a small percentage of the boutique sales.

Just for fun each year we may have a **Challenge**. Sometimes a challenge fabric is provided while other times just a theme is given. Size guidelines are usually provided along with a deadline to complete your challenge quilt. All members are encouraged to participate. Sometimes, the challenge quilts are displayed at the quilt show as a separate category and voted on by the general public.

At least once a year, the guild tries to bring a nationally- or regionally-known quilt instructor for a **Trunk Show and Workshops**. The trunk show is the program for one of the monthly meetings and is open to all members. The workshops are open to all members who have supported guild activities as specified in the guild bylaws.

Our goal is to provide fun, informative and interesting meetings for all our members to enjoy. If you have any suggestions for the meetings or programs or anything else, please let the guild president, or another officer or committee chair, know.

So whether you're a new quilter just getting started, or a seasoned quilter...**WELCOME TO THE GUILD!!!**

ABOUT US

The Franklin County Quilters Guild, Franklin County, Vermont, is a group that comes together to share our love of quilting and to learn from one another. We also share a civic mission by providing free quilts to deserving individuals and organizations and by sponsoring a free annual quilt show and exhibit every April at the St. Albans City Hall.

Over the past 32 years we've given 38 large quilts to 33 local charities for the fund-raising efforts of each organization. We estimate these quilts have raised between \$80,000 to \$115,000! Additionally, we have provided thousands of smaller comfort quilts to local charities to include: Franklin County Home Health; The Family Center; Laurie's House, a shelter for abused women; Franklin County Humane Society; Thomas Cook Memorial Fund; Ronald McDonald House; Birthing Center at the Northwestern Medical Center (NMC); Camp Ta-Kum-Ta; the Franklin County Senior Center; Spectrum Youth & Family Services; Welcome Home Program; and hospice care organizations. The guild has also given comfort quilts to breast cancer survivors, Purple Heart recipients (or the recipient's family), and families which have lost their homes due to fire or a natural disaster.

In December 2004, we organized our Purple Heart Quilt initiative. Members of the guild supplied the materials, and Franklin County Home Health donated the use of their conference room. We held workshops to make quilts to be given to military members from Franklin County who were wounded in combat or to the families of those who gave their lives. We've gratefully presented nine of these quilts, and we hope we do not need to make anymore.

In 2006, we spent the summer putting together quilt kits for guild members to make quilts for local breast cancer survivors. NMC donated the use of the Conference Center, and guild members gathered to make quilts. We've given over 100 quilts to breast cancer survivors. You would only need to read one of the thank you notes to know this project has been a most heartfelt success. Additionally, proceeds from the sale of the fabric supports breast cancer research. In early 2007, the guild voted to make this an annual event in support of Breast Cancer Awareness Month.

After Hurricane Irene devastated many communities in Vermont in 2011, the guild participated in the Winter Warmth Project initiated by Vermont quilter, Pamela Druhen. The goal of the project was to provide every flood victim, man, woman, couple, and child, a brand new quilt for their bed when they were able to move back into their own home again. We constructed countless quilts to help the effort.

Starting in 2015, we've been reaching out to people in Franklin and Grand Isle counties who have lost a home due to a fire or natural disaster and are providing a quilt to each of the victims. Guild members, along with local quilt shops, have donated fabric and orphan blocks for the cause. We've held one workshop and plan to have more to make sure we have a supply of quilts on hand to support the local communities.

Every April, we host the annual Franklin County Quilt Show at St. Albans City Hall. This yearly event provides a chance for the guild to share the art of quilt-making with the local community. We don't charge admission, and we sometimes provide free demonstrations throughout the weekend. The guild's annual raffle quilt is showcased at the show. The raffle quilt and the show's guild boutique serve as the major fund-raisers for the guild each year.

If these activities have piqued your interest, please join us at one of our meetings or contact us at franklincountyquilters@gmail.com. The guild meets in St. Albans at the Church of the Rock on Route 104 on the third Wednesday of the month, September through June. The doors open at 6:00 p.m. with the business meeting starting at 6:30 p.m., followed by the evening's program and Show & Tell. All are welcome to join us.

History of the Franklin County Quilters Guild

Born: February 6, 1991—Eight women got together at each other's houses every other Wednesday morning to quilt. These 8 women quickly realized what a great thing they had started. A guild was formed by advertising in the St. Albans Messenger for all those who were interested. In the 25 years since its inception, the guild has grown from 21 original members to our current total well over 70, and we're still growing.

Original members of the 1st meeting:

BLOCK OF THE MONTH (BOM) GUIDELINES

All fabric **MUST** be 100% cotton. If you do not have 100% cotton, you can still make a block for yourself to keep.

Please be careful to use white fabric when white is specified in the instructions and unbleached muslin when muslin is specified. Also, when a particular color is specified such as dark blue, please make sure you use dark blue and not a light or medium blue.

Pay attention to the grain line and try to avoid stretching the bias on diagonal pieces such as triangles.

Be accurate in the size of the block so that the winner will not have difficulty setting the blocks together.

If BOM blocks are raffled at the monthly meetings:

- Upon winning a set of monthly blocks, the winner will not be eligible to win another BOM raffle in that Guild year, running from September through June.
- You may make as many blocks as you want. If you make 3 blocks, you may enter your name in the basket 3 times.

GUIDELINES FOR GROUP QUILTS & PROJECTS (Raffle, Charity, or Other Projects)

FABRIC

1. The blocks are to be made of 100% cotton fabric unless otherwise stated for special effect (i.e. shiny tricot for a glitzy project).
2. For a scrap quilt, request each individual bring in X number of fabric pieces, of a specific size and color. Ask for more than you need so the fabric that is not the correct color or non-cottons can be put aside for another project. Then the fabric can be sorted and put into packets.
3. Over-estimate the amount of fabric needed. This allows for math and cutting errors.
4. Specify as narrowly as you can the color description (i.e. pastel vs. light). This makes monthly raffle blocks coordinate well.
5. If having members make blocks, be sure to put sufficient fabric in the packets to allow for cutting errors.
6. Blocks returned that are not the correct size, are non-cotton fabrics, or are not the correct size, will not be incorporated into the quilt. Always ask for 10 more blocks than you need. Several may not be usable.
7. All fabric and batting and construction of quilts made will be in a non-smoking, odor-free environment. This is **not** to say that smokers cannot work on individual blocks, but once blocks are returned, the construction and storage of the quilts shall be in a smoke-free and odor-free environment. Machine quilters guarantee a smoke-free environment to their customers, so we have to do the same. Smoke odor, like other strong odors such as kerosene, is very difficult to remove. This also applies to the storage of any ongoing projects, fabrics, or materials that belong to the guild from year to year.

PATTERN OR DESIGN FOR ANNUAL RAFFLE AND CHARITY QUILTS

1. Two or three different designs may be presented to the group for voting.
2. The main body of the project should be of easy or intermediate skill level so all members may participate. If some of the pattern calls for a more experienced skill level, volunteers for the more intricate section can be recruited.
3. If a more difficult design is chosen, there should be a demo of the construction given so we can challenge ourselves to something a little more difficult.

DIRECTIONS AND CONSTRUCTION

1. At least two people should sign-up for the project and work on it throughout the entire planning and construction. Keep each other apprised of the progress.
2. Have members sign out block packets as appropriate. Encourage prompt return of the blocks the following month. This keeps motivation high. Give yourself an extra month for stragglers, but warn them they may be nagged to death.
3. Keep the size appropriate for the project. Anything bigger than a queen is unmanageable and not too many people have king-sized beds.
4. Be sure to give clear instructions in the packets and give appropriate demos before passing out the packets.
5. Plan to have the quilt ready for quilting at least **two** months before it is needed to allow for shipping and delays at the machine quilters.

RAFFLE QUILTS

1. Get photo of the quilts to be raffled for everyone selling tickets.
2. Everyone must sign out and be responsible for the tickets taken. All ticket stubs, as well as unsold tickets are to be returned before the raffle. It is **fraudulent** to omit any paid tickets.
3. Be sure to have enough tickets printed.

COMPLETION DEADLINES

1. Annual Large Donation **Charity Quilt must be completed** (quilted, bound, and labeled) by the March meeting of the year it will be given away. The quilt is displayed at the quilt show in April and given to the recipient organization at the guild's May meeting.
2. **Raffle Quilt must be completed** (quilted, bound, and labeled) by the May meeting. The Raffle Quilt will be given away the following April. This timing allows maximum advertising and ticket selling.

Remember: These quilts represent all of us and should be acceptable to all of us. Don't take criticism of your idea personally.
