#### President's Piece

Dear Friends,

Well, we made it through the Ides of January and the Ides of February. And now we are approaching the Ides of March which, apparently signaled a Roman Religious Holiday and was the deadline for settling the previous year's debts. Perhaps it is no accident that the Ides of April is our tax deadline. What does this all mean? I have no Ide.

As I write to you the March sun is streaming into the living room, giving the Norfolk Island Pine plant a little time in the sun. It is looking pretty perky and I guess that its twice-yearly dose of sun is what keeps it going through the shady corner of the living room.

In January I began quilting again with a focus on lap size comfort quilts. I have also been integrating and arranging Alice's stash of fabric with mine. They are pretty well sorted by color in separate bins and the sight of them caused me to do a little math. Each lap quilt weighs (minus the batting) about 1 pound. I guess as a rough estimate that the fabric stash weighs, in total, about 164 pounds. If I make two quilts per month, (a reasonable goal) and I don't buy any more fabric (an entirely unreasonable assumption) I will not run out of fabric until the year 2028. A disorienting yet comforting thought.

Hoping your stash is well fed and healthy I am.

Sincerely yours,

John Rouleau, 2020-2021 President

**MORE SEW ALONG DAYS ADDED FOR MARCH, APRIL, AND MAY**

Members asked for more, and the guild listened. We've scheduled 3 more Zoom Sew Alongs in March, April, and May. The first Zoom Sew Along was held in December with 2 more in January and February. For the February Pajama Party Sew Along, 19 members dropped in during the day and 8 die-hard quilters (Shirley Babcock, Beth Brault, Diane Comeau, Nancy LaPointe, Priscilla Pritchard, Sharon Perry, Helen Short, and Deb Trahan) stayed signed in almost until the very end of the day. Nancy LaPointe was the lucky winner of the *Forever Mine* pattern by Bonnie Hunter and a large stack of red and pink charm squares.

Don't miss out on the fun and sewing! The next one is the March Madness Sew Along on Sunday, March 14<sup>th</sup>, starting at 10:00 am and concluding around 4:00 pm. Details for the March Sew Along are still being worked out. Along with good conversations and lots of laughter, there may be a game or two along with more free patterns with a St. Patrick's Day or Celtic theme. And of course there will be a drawing at the end of the Sew Along. The prize is will be Bonnie Hunter's pattern, *Shattered*, along with a stack of scrappy charm squares.

The Bunny Hop Sew Along will be held on Sunday, April 11<sup>th</sup>. Three weeks later, the Cinco de Mayo Sew Along will be held on May 2<sup>nd</sup>. Be sure to mark all the Sew Alongs for March, April and May so you too can join in the fun!

## SHOW & TELL ON ZOOM

# Let's Zoom!

We'll still be enjoying the monthly show & tell during the guild's Zoom meetings. However, it will require some advance planning and actions.

If you want to display your completed projects during show & tell, please email a photo of each project to Sharon Perry, [vtquilter@gmail.com](mailto:vtquilter@gmail.com), by the Sunday prior to the guild meeting. **For the March meeting, photos should be sent to Sharon no later than Sunday, March 14<sup>th</sup>.**

For each month's show & tell Sharon will create a slideshow with all the photos sent to her for that month. She will "share" the slideshow during the Zoom meeting. Members will be asked to briefly describe their projects as those projects appear on the screen.

### ZOOM PLATFORM BRINGS CHANGES TO GUILD MONTHLY MEETINGS

- Guild meetings will be conducted on Zoom in a virtual format; in-person meetings are cancelled for the 2020-2021 membership year. The executive board will re-evaluate when to restart in-person meetings next year.
- Guest speakers will present virtual lectures and workshops also using Zoom.
- Guild members will need to send pictures to participate in the monthly show & tell.
- Guild members will join the guild meeting by clicking a link or launching the Zoom app on their computer/device/smartphone. Sharon Perry will send all the particulars for joining one week before the meeting. **The invite for the March 17<sup>th</sup> meeting will be sent out on Wednesday, March 10<sup>th</sup>.**

### ZOOM BEST PRACTICES

- Make sure your camera is connected and available to the Zoom app.
- Check your microphone and speaker settings before joining the Zoom session.
- Close all apps except for Zoom on your smartphone/device/computer.
- Plug your computer/device/smartphone into a power source.
- If using wi-fi, make sure your wi-fi is not overloaded (think multiple phones, devices, cameras, etc.).
- If you have a limited/unreliable internet connection, try directly plugging into your internet router.
- If you are hard of hearing or in a crowded/public space, use a headset for better sound.
- **Mute your microphone** when not actively speaking.
- Be aware of your surroundings and behavior (**We can see you!**).
- Add questions/comments in "Chat" section to be addressed by Zoom moderator.
- "Raise hand" if you would like to address the group.
- Make comments short and succinct; mute for responses.

### IDEAS FOR GUILD MEMBERS WITH UNRELIABLE INTERNET CONNECTIONS

Here are some ways to join the Zoom meetings if you have a limited connection:

- Plug directly into your internet router.
- Disconnect all other devices using wi-fi during the Zoom meeting. You'd be surprised how many devices are connected to your wi-fi (think printers, collywobbles, smartphones, cameras, appliances, lights, etc.).
- Try using the internet connection at your local library from your car.
- Join a fellow guild member at their home as long as everyone is observing COVID-19 guidelines and have not been exposed to COVID-19.
